The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for rail link environmental impact statement in Danbury in fiscal year 2023.

The entity to receive funding for this project is City of Danbury, located at 155 Deer Hill Avenue Danbury, CT 06810.

The funding would be used to revitalize a currently abandoned interstate railway line known as the Beacon Line by restoring commuter services to satisfy an ever-expanding need. The plan calls for extending the current New York City Metro North Harlem Line rail which now terminates in Southeast, NY and providing a new connection to the Beacon Line and adding two stops in Danbury, CT.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Jahana Hayes".
