The Honorable Kay Granger

House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Black representation in science and engineering in fiscal year 2023.

The entity to receive funding for this project is the University of Connecticut Health Center (UCHC), located at 263 Farmington Avenue, Farmington, CT 06030.

The funding would be used to support the Connecticut Convergence Institute at UCHC as they develop year-round Science, Technology, Engineering and Math (STEM) development programs for K-12 education in Connecticut specifically in the Hartford and Waterbury districts.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Jahana Hayes".
