Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the ***Route 10 Hop Brook Bridge (No. 00653) Replacement Project*** in surface transportation reauthorization legislation. The project sponsor for this project is the Connecticut Department of Transportation and the project is located in Simsbury, Connecticut.

The funding is designated to replace the superstructure of Bridge No. 00653 carrying Route 10 over Hop Brook in Simsbury, Connecticut. The superstructure is in serious condition (Rating: 3) which triggered the need for the replacement. Rehabilitation of the substructure will also occur to improve the scour rating of the bridge.

The project is an appropriate use of taxpayer dollars and will improve public safety.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jahana Hayes
Member of Congress
