The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for emergency communications system upgrades in New Fairfield in fiscal year 2023.

The entity to receive funding for this project is Town of New Fairfield, located at 4 Brush Hill Road, New Fairfield, CT 06812.

The funding would be used to upgrade crucial emergency communications systems in New Fairfield. This investment is critical because communications systems are the backbone of any safety program and combined with New Fairfield’s location and proximity to Candlewood Lake and the New York border, interoperability between localities is a critical component of emergency preparedness for the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jahana Hayes  
Member of Congress
